OLL19662

S.L.C.

AMENDMENT NO. \_\_\_\_\_

Calendar No. \_\_\_\_\_

Purpose: To improve the amendment relating to information sharing.

IN THE SENATE OF THE UNITED STATES—116th Cong., 1st Sess.

**S. 1625**

To promote the deployment of commercial fifth-generation mobile networks and the sharing of information with communications providers in the United States regarding security risks to the networks of those providers, and for other purposes.

Referred to the Committee on \_\_\_\_\_ and ordered to be printed

Ordered to lie on the table and to be printed

AMENDMENT intended to be proposed by Mrs. BLACKBURN to the amendment (No. \_\_\_\_\_) proposed by Mrs. BLACKBURN

Viz:

1 In lieu of the matter proposed to be inserted, insert  
2 the following:

3 **SEC. 8. INFORMATION SHARING WITH COMMUNICATIONS**  
4 **PROVIDERS AND TRUSTED SUPPLIERS.**

5 (a) ESTABLISHMENT OF JOINT PROGRAM.—Not  
6 later than 90 days after the date of enactment of this Act,  
7 the Secretary of Homeland Security, in consultation with  
8 the Director of National Intelligence, the Director of the  
9 Federal Bureau of Investigation, the Secretary of Com-

1 merce, and the Chairman of the Commission, shall estab-  
2 lish a joint program to share information regarding secu-  
3 rity risks, and vulnerabilities related to communications  
4 networks and related equipment and services with United  
5 States communication providers and trusted suppliers.

6 (b) DUTIES OF PROGRAM.—The program established  
7 under subsection (a) shall—

8 (1) conduct regular briefings and other events  
9 to share information with United States communica-  
10 tions providers and trusted suppliers regarding secu-  
11 rity risks, and vulnerabilities related to communica-  
12 tions networks and related equipment and services;

13 (2) prioritize engagement with United States  
14 communications providers that—

15 (A) are small business concerns (as defined  
16 in section 3(a) of the Small Business Act (15  
17 U.S.C. 632(a)); or

18 (B) primarily serve rural areas;

19 (3) as determined appropriate and necessary by  
20 the Secretary of Homeland Security, facilitate infor-  
21 mation sharing with United States communications  
22 providers and trusted suppliers by providing tem-  
23 porary, security clearances to selected citizens of the  
24 United States, limited solely to the information  
25 under this section;

1           (4) develop recommendations for United States  
2           communications providers and trusted suppliers to  
3           better secure their networks, equipment, and supply  
4           chain;

5           (5) as determined appropriate by the Commis-  
6           sion, in consultation with the Assistant Secretary of  
7           Commerce for Communications and Information,  
8           convene a working group of United States commu-  
9           nications providers to engage in discussions and in-  
10          formation sharing regarding specific national secu-  
11          rity risks posed to communications networks; and

12          (6) ensure that information shared with private  
13          entities under this subsection is presented in a man-  
14          ner that identifies, assesses, and prioritizes risks, the  
15          mitigation of risks, and opportunities for asymmetric  
16          advantage.

17          (c) VOLUNTARY AND CONFIDENTIAL NATURE OF  
18          RECOMMENDATIONS.—

19           (1) IN GENERAL.—Recommendations developed  
20           and provided to communications providers shall be  
21           entirely advisory and shall create no obligation on or  
22           expectation of communications providers or other  
23           non-Federal entities to take any action or abstain  
24           from any action.

1           (2) EXEMPT FROM DISCLOSURE.—Rec-  
2           ommendations and briefings created by the joint  
3           program created under this section shall be exempt  
4           from public disclosure.

5           (d) AUTHORIZATION TO SHARE.—Notwithstanding  
6           any other provision of law, a non-Federal entity partici-  
7           pating in the program established under subsection (a)  
8           may share with, or receive from, any other non-Federal  
9           entity or the Federal Government information regarding  
10          security, risks, and vulnerabilities related to communica-  
11          tions networks and supply chains.

12          (e) CONFIDENTIALITY.—Any information shared by  
13          non-Federal entities in the program established under this  
14          section shall be—

15                (1) deemed voluntarily shared information and  
16                exempt from disclosure under section 552 of title 5,  
17                United States Code, and any State, Tribal, or local  
18                provision of law requiring disclosure of information  
19                or records;

20                (2) withheld, without discretion, from the public  
21                under section 552(b)(3)(B) of title 5, United States  
22                Code, and any State, Tribal, or local provision of law  
23                requiring disclosure of information or records; and

24                (3) considered the equivalent of Protected Crit-  
25                ical Infrastructure Information, as defined and pro-

1        tected in the Critical Infrastructure Information Act  
2        of 2002 and Procedures for Handling Protected  
3        Critical Infrastructure Information regulations, pro-  
4        mulgated by Department of Homeland Security  
5        under part 29 of title 6, Code of Federal Regula-  
6        tions, to provide non-Federal entities confidence that  
7        sharing their information with the Government will  
8        not expose sensitive or proprietary data.

9        (f) **LAWFUL RESTRICTION ON USE.—**

10        (1) **IN GENERAL.—**A non-Federal entity receiv-  
11        ing information regarding security, risks, and  
12        vulnerabilities from another non-Federal entity or a  
13        Federal entity shall comply with otherwise lawful re-  
14        strictions placed on the sharing or use of such by  
15        the sharing non-Federal entity or Federal entity.

16        (2) **PERMITTED USE.—**A Federal entity receiv-  
17        ing information regarding security, risks, and  
18        vulnerabilities from non-Federal entities partici-  
19        pating in the program established under this section  
20        shall only use that information for the purposes es-  
21        tablished under this section and in furtherance of  
22        the goals of the joint program, and may not release  
23        or share the information with other government offi-  
24        cials or agencies that are not part of the joint pro-  
25        gram.

1 (g) ANTITRUST EXEMPTION.—It shall not be consid-  
2 ered a violation of any provision of antitrust laws for 2  
3 or more non-Federal entities to exchange or provide infor-  
4 mation regarding security, risks, and vulnerabilities under  
5 the program established under this section.

6 (h) PROTECTION FROM LIABILITY.—No cause of ac-  
7 tion shall lie or be maintained in any court against any  
8 private entity, and such action shall be promptly dis-  
9 missed, for the sharing or receipt of information regarding  
10 security, risks, and vulnerabilities under the program es-  
11 tablished under this section.

12 (i) NO RIGHT, BENEFIT, OR DUTY.—

13 (1) IN GENERAL.—The sharing of information  
14 regarding security, risks, and vulnerabilities with a  
15 non-Federal entity in the program established under  
16 this section shall not create a right or benefit to  
17 similar information by such non-Federal entity or  
18 any other non-Federal entity.

19 (2) RECOMMENDATIONS.—The creation of rec-  
20 ommendations by the joint program is not intended  
21 to confer any benefits or rights in any party, nor is  
22 it intended to create any obligation or duty on any  
23 non-Federal entity to take any action or refrain  
24 from taking any action.
